Foreword . . .

A GOOD secondary school programme should develop young people in at least two basic ways—as individual persons, and as satisfactory citizens.

In the years that you have spent in this school we feel that the curriculum you have followed, and the extra-curricular activities in which you have participated, have both contributed, in no small way, toward meeting these objectives.

Today young people are growing up in a complex pre-established order, so their development at school must follow a pattern that is appropriate for living in this our modern world. In addition, as you depart from school and enter adult life, you do so in an era that is on the threshold of the space age.

As the Graduating Class of 1961 leaves Victoria High School, we trust that your abilities and talents have not only been broadened academically but that you, as individuals, have acquired a worthy appreciation of many other human values and precepts.

Valedictory . . .

FOR THE grads of 61, as I am sure I speak on their behalf, the past year has been one to remember. For the majority, who are leaving school, their last year has been one in which most have really grown up and become aware of their responsibility to society. For those who intend to further their education, this last year of high school has given you an insight into the effort required for success at College or business school.

Possibly you are beginning to miss school already. If not, I am sure we all will when we have left. Even those continuing their education will not, I am sure, soon forget the familiar halls, exams and teachers of Victoria High.

As we are justly proud of our "Victoria High" let us not let our school down—let it be proud of us!

Peter H. Hayslett.

Beta "500" boys deserve at least one page of the annual they helped make possible.

Best wishes,
Jane Macmurchie

Y-Teens

This year's Y-Teens have completed an active and highly successful year.

Activities began with an hilarious initiation, through ice cream and cake sales, sponsoring of the Co-ed Dance and a Soc Hop, guarding the Lost and Found and ushering at various events which, compiled, all contributed to the support of their "adopted" Maltese girl.

Weekly meetings included skits, films, debates and lectures by guest speakers, brightened by the cheery executive: president, Maureen Tilson; vice-president, Kathy Tervo; secretary, Lyn Tupper; and treasurer, Sylvia Austin.

Committee heads were: Ceremonial, Karen Lendrum; Service, Barbara Nelson; Publicity, Ann Drummond and Social, Pat Kelly.

Alpha Hi-Y

Comprising this year's executive were: Mike Gallo, president; John McKeachie, vice-president; Warren Lowe, secretary; and John Warrington, treasurer.

Some of the many worthy services provided by Alpha Hi-Y included the sponsorship of the Co-Ed Dance in conjunction with the Y-Teens and the other club, canvassing in the city-wide Kiwanis Village Drive; conducting the controversial car wash; and selling pop at Totem games, dances and track meets.

Doing their part to make the B.C. High School Cross Country meet a success, Alpha donated trophies to each of the first six place finishers.

Looking forward to another eventful year, again under the able and much appreciated sponsorship of Mr. Reid, Alpha would like to wish you all (and the other club) a prosperous year in 61-62.

Beta Hi-Y

President Bob Harris, vice-president Hugh Skillings, secretary Simon Whitlow, treasurer Peter Haylett and padre John Lauvee guided Beta through one of its most active years.

Among Beta's many undertakings in the service of the school were the traditional selling of pop at basketball games and dances, the publishing and distributing of basketball programmes at all the Totem's home games, the presentation of a trophy for staff versus students competition, the printing of the ever-popular TOTEM BOOSTERS, co-sponsorship of the successful CO-ED DANCE and the annual sweeping of the tennis courts.

Beta also participated in community activities by donating the proceeds of its successful Penny Drive to the Daily Colonist Five Hundred Fund.

"Charlie Beta's Boys" rounded off their year's activities recently with an intensive drive to aid in the soliciting of advertisements for the annnual.

A great deal of the credit for the club's many undertakings belongs to Mr. D. Smyth, Beta's sponsor and guiding light.

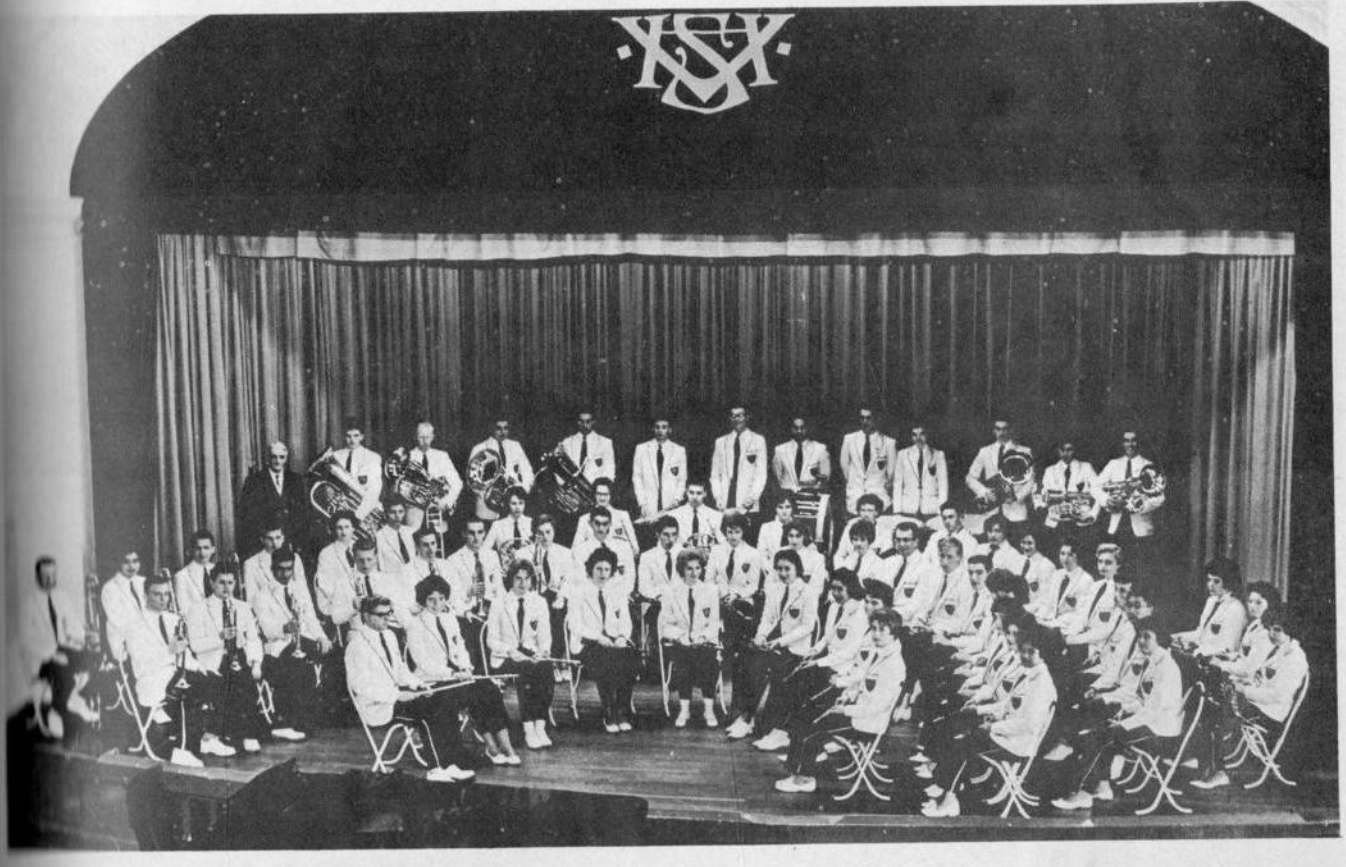
Choir

We have heard this gay group of singers periodically throughout the year in assembly periods. Christmas brought the "Festival of Fine Arts" in which they sang as a church ensemble and later as an operetta group in "Finale". During the holidays a small group walked through the halls of the Veteran's Hospital, singing carols and also they sang at the University Women's Club Christmas Party. In the Music Festival the choir entered five groups.

Certainly, this group couldn't have existed without Miss Douglas' hard work and excellent guidance.

Band

Having completed another successful year under the able direction of Mr. R. Grant and the executive: Ivan Waldal, Jennie Jacobsen, and Roberta Lister, the Victoria High Band participated in various functions in and out of the school. They played for our Christmas Concert, for the opening of Red Cross week and also for a joint concert with the orchestra, which resulted as a huge success. The highlight of the year came when the members travelled to Monroe, Washington, where the band was graciously received by our cousins across the border. The band placed in first position in the Greater Victoria Music Festival and gave a fine performance at the Beacon Hill Park Music Concert to conclude a productive musical year.



Orchestra

Under the new direction of Miss M. Milburn, our Victoria High Orchestra has again been active in the music world.

Silver Threads' members were treated to a free performance last fall. A joint concert with the Oak Bay High choir in March provided vocal and instrumental music lover with an evening of enjoyment. Another joint affair was last April, when the band and orchestra combined efforts into one musical program. Intermission entertainment was provided by the busy group at the Victoria Symphony's final concert of the season. Cake sales, a self-sponsored tea and a car-wash (which made $50 even though it rained and sleeted) comprise the orchestra's money-making projects.

As far as out of town performances are concerned, the Orchestra did not compete in any festivals or conventions but played an afternoon rehearsal in Seattle, Washington, with Dr. S. Chapple, head of the music department at the University of Washington and one of Canada's leading conductors.

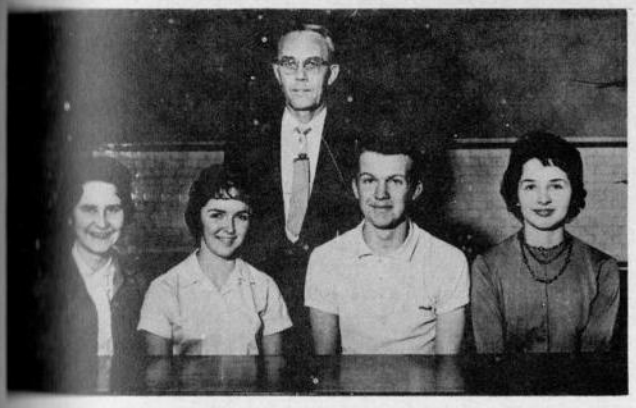
Capable officials leading the orchestra were: president, Margaret Morgan; vice-president, Bob Michaux; secretary, Ruth Ireland; and librarians, Doreen Logan, Margaret Reynolds and Rosetta Boyle.

Calamity Players

Our skits this year have advertised 5 events.

1. The Booster pass "Totem Pacific".
2. The Co-Ed "Sadie Hawkin's 'B' Day"
3. The Festival of Fine Arts "Missing Money".
4. The Drama Festival "On Trial".
5. The Sports Dance "Whose Corsage?"

Sponsor: Mr. Mayne.
President and director: Sylvia Mobey.
Vice-president: Kevan Hull.
Secretary: Linda Parfitt.



Future Teachers' Club

Under the capable sponsorship of Mr. Toms, the Future Teachers' Club proved most interesting and informative to all concerned.

The meetings, held every other Thursday, were conducted by the President, Mike Shanks. The president was assisted ably by vice-president, Sandra Glover, and secretaries, Genevieve Sawatsky and Karen Lendrum.

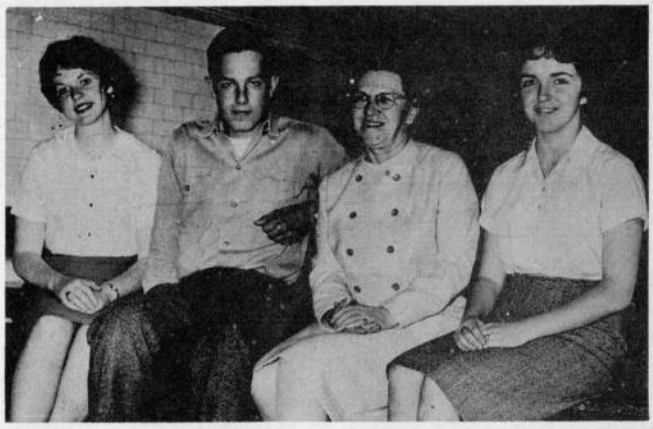
Films, speakers, and the issuing of informative pamphlets gave variety to the meetings. During the year field trips were taken to the Elementary and Junior High Schools.

Geraldine Yee and Mike Shanks represented the club at the Annual Future Teachers' Conference held in January at U.B.C. in Vancouver.

Senior French Club

Ce circle . . . has been meeting this year every second Thursday under the capable sponsorship of Miss E. M. Maqueen.

The executive committee of the club, under the leadership of president Michael Schuler and aided by vice-president Geneviève Sawatsky and secretary Pauline Owens has planned throughout this year an entertaining programme in which all members of the club participated. The club has had a noon time luncheon by courtesy of the home economics department of the school as well as social gatherings at the homes of some of its members. Noon time activities included French songs (you should hear this singing!), French skits, and French card games. (N.B. for future members: no French wine!)



Junior Red Cross

Under the able sponsorship of Mrs. Barker, and the executive, President Cliff Watt, Vice-president Elizabeth Lalonde, Secretary Peter Van der Jagdt, and Treasurer Violet Wilkham, the Junior Red Cross completed a successful year of service.

Throughout the year the club has made several contribution to aid the under-privileged. The projects included regular visits to the Chinese Hospital to entertain patients, sending 60 lbs. of food and health kits to Hong Kong for refugees, and exchanging a tape recording and album with a school in Greece. The club has decided to adopt a school in Greece, which involves buying complete equipment for one school year, and to donate to the Congo Milk Fund.

The Annual Red Cross Drive raised over $500.00 as a suitable climax to this year's activities.

Thespians

Due to the absence of a large dramatic project this year, the Thespians were not active as a group. However, the members of the "Elite of V.H.S. Dramatists" made individual contributions to the concert and plays produced during the year.

Sponsored by Mr. Mayne, the organization was headed by Ivan Waldal, and the rest of the officials included Rino Elverhoy, vice-president; Maureen Tilson, secretary; Kevan Hull, treasurer; and Sylvia Mobey, clerk.

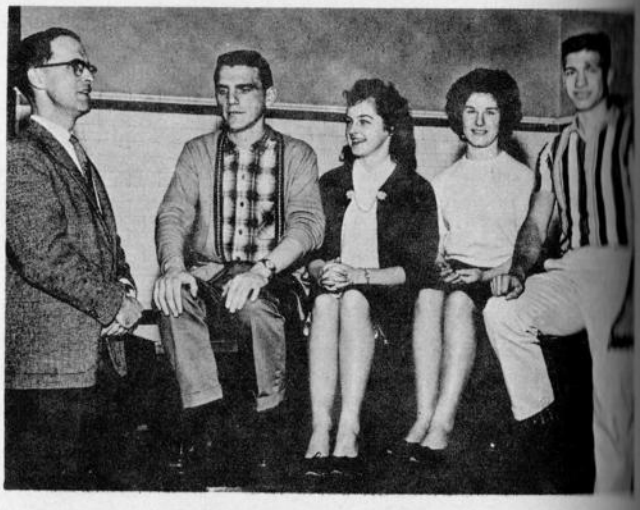
Camosunet

After producing "six-too-many" scintillating issues of "com propoganda and what-have-you", the much-sought Camosunet staff, now under police protection, can sit back and contemplate a full-scale invasion of the college rag.

Hard work by fashion conscious Rosemary Tierney, gossip columnist Kathy Clark, and editorial writer Maureen Tilson enabled editor Steve Horn and delivery-boy Neil Bruce to slap a copy in your hands on time during the year.

Girls' and boys' sports were well covered by Lil Goodman and Gordon Pollard respectively, while Gary Zilkie did an excellent job of doing whatever he was doing.

Of course, thanks are due to the notable sponsor, the rest of the journalism class, and the ad-gettin' girls of Div. 9.



I.S.C.F.

A lively series of meetings has kept Vic High's I.S.C.F.'ers busy during the past year. Among the varied activities were thought-provoking panel and group discussions, interesting Bible studies, and speakers from many walks of life. On the lighter side, several successful parties were held, and the year was climaxed by the annual Grad Party.

However, the success of the year cannot be reckoned only by material aspects, for growth in grace cannot be measured. The Club, encouraged by the events of the past year, is eager to continue during the years to come. Cash Hampton, president; Grant Frewing, vice-president; Joan Climenhagan, secretary; constituted the efficient executives for this school year.

Preparing books for circulation, checking books in and out, and shelving all returned books are some of the duties of Student Librarians who give up many hours in the morning, noon, and after school.

Square Dance Club

Small, but active, the Square Dance Club has swung gaily through the year. Under the capable direction of President Rino Elverhoy, Vice-President Sandra Shaw, and Secretary-Treasurer Howard Price, the members have enjoyed many good times. Sponsors, Mr. Wallis and Mr. Trotter, have ably led the group's activities through the season.

Future Nurses' Club

Under the sponsorship of Mrs. Martin and with the guidance of Miss Henley, the Future Nurses' Club has completed a most successful year.

Executive members were Roberta Lister, president; Jenny Jacobsen, vice-president; Ardath Glassford, secretary; Susan Watson, project convener; Lesley Spooner, programme convener.

Activities for the year included guest speakers, field trips, films, and the compiling of the scrapbook on nursing.

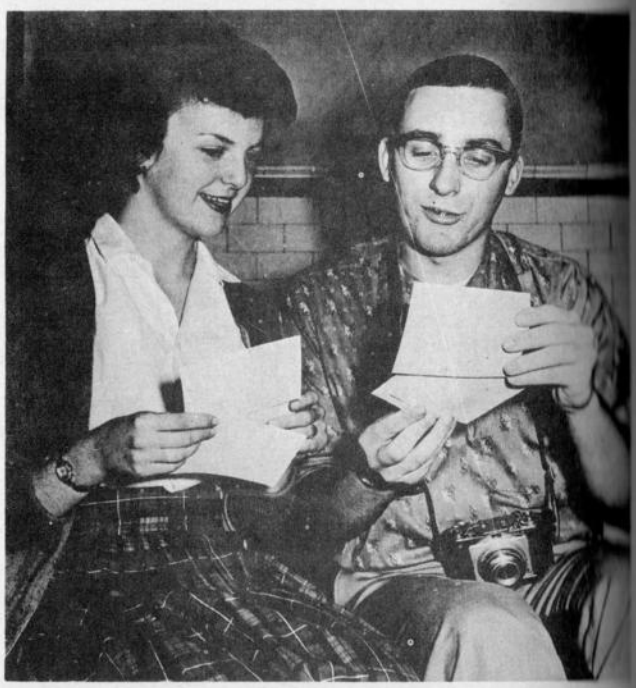
Amateur Radio Club

Under capable guidance of Mr. R. T. Stark, VE7BEP, the club sponsor, the "ham" club has very nearly completed another successful year. This year's executive: Gerry Moore, VE7BDM, president; Barry Summerfield, VE7BEG, vice-president; and John MacEachum, secretary-treasurer have helped to make it so.

It is hoped by the end of the school year that a few members will obtain their long-sought ham tickets. The club has fallen into the hands of a new transmitter and is presently awaiting the addition of an antenna tower. Code and theory is being taught theoretically at lunch hour in the technical building. All those interested are cordially invited to attend. Although the station was not too active due to technical difficulties, the club has prospered greatly.



Camera Club

Under the sponsorship of Mr. St. Clair and Mr. Tangye, the Vic High Photography Club had an active year of enlarging and developing.

Meeting every Monday and Thursday in their "darkroom", the Physics storeroom, the twenty-member, shutter-clicking club was presided by Bob Buckle, while Chris Pyle acted as secretary-treasurer.

U.N. Club

Under the sponsorship of Mr. G. Stark, and the able executive of Howard Price, president; Ruby Edgson, vice-president; and Mary Baldock, secretary-treasurer; the United Nations Club had a very successful year.

Their full and varied programme included selling U.N.I.C.E.F Christmas cards; participating in the Inter-High Debate, U.N. Day assembly and the model assembly in which they represented the U.S.S.R., Australia and the Irish Free State; also holding their weekly Monday meetings in which they had films, discussions, reports and speakers.

Chess Club

Although the Chess Club was considerably smaller this year than last, it enjoyed a fine season under the capable sponsorship of Mr. Preston. The elected officers, Joe Thompson, president; Dave MacMurchie, vice-president; Simon Whitlow, secretary; Mike Devlin and Jim Nesbitt, executive officers; ran the club well.

The two top players, Pete Nixon and Joe Thompson, travelled to the B.C. High School Chess Championship at Qualicum. Both players representing Victoria High finished well up in the final standings.

The school chess team comprised of Pete Nixon, Joe Thompson, Brad Bell, Hickman Wong, Neil Bruce, and Richard Meyer, with spares Larry Terry and Alan Douglas, completed an undefeated season retaining the Baines-Lewis Trophy which is emblematic of chess supremacy amongst the schools in the Victoria area.

Social Committee

Under the able leadership of "Chairman" Jean Davidson, this lively group of "attic-dwellers" have decorated the gym for the Staff-Sponsored, Homecoming, Christmas and Sports Dances. Jean and her committee, with the advice of sponsor Miss Sargent, have worked many hours "behind the scenes" to add sparkle and colour to the dances.

Model Airplane Club

What was that obnoxious buzz at 3:30 on Friday afternoons? Why, that was the model airplane club of course. Under the sponsorship of Mr. Mitchell!, president Rod Evans and secretary-treasurer Dave Sargent the club has held many flying demonstrations on the soccer field. These demonstrations were often held jointly with clubs from other schools, and attracted amused spectators. Even a few teachers ventured a peek! A series of films, progressing from the basic problems of flight up to the advanced principles of jet aircraft, were shown for club members. The club looks forward to an equally successful season next year. With another series on inter-school flying meets.

Majorettes

Sponsored by Mrs. Esselmont and led by Kathy Clark, Captain, and Sandra Glover, Vice-Captain, the Majorettes provided excellent entertainment at all Home Totem games.

Sarjeet Bains: A happy brunette—sharp at eight?
"Sarg" always had a good excuse
If she was ever late.

Sandra Balloch: Before she answered the whistle's call
She powdered her hands so her "stick" wouldn't fall.

Kathy Clark: Captain Kathy—the liveliest yet
A cheerful "boss" and majorette.

Pam Crutchlow: Never missed a practice, never missed a beat,
Our gal Pam is a real treat.

Linda Garroway: Blue eyes, blonde hair,
A sunny smile—
Mean Linda's there.

Sandra Glover: Personality, Punctuality, Popularity, Pep,
Vice-Captain Sandy was never out of step.

Jill Heinrichs: Faithful Jill, she always came
To tell us who was winning the game.

Diane Hewison: Early in the dawn—her plaintive cry—
Must we change? Darn it. . . . Why?

Dianne Lawton: From out in the "country" she turned up here,
At quarter past eight she would appear.

Karen Lendrum: Even in the a.m. she had lots of spark,
Apples for breakfast were her trademark.

Jean Miller: Calm, cool, collected too,
Jean has style . . . that's true.

Kathy Tervo: Très petite . . . she led the ranks,
To the leader of the line . . . our thanks.

Linda Tovey: A tall, cool blonde . . . almost never late,
Her marching and twirling were top rate.

Karen Wallace: Although hockey is her favourite game,
She's a Totem booster just the same.

June Williams: June loves to march and twirl,
The fans appreciate this Williams girl.

Joyce Wright: A pretty junior . . . blonde and sweet,
Faithfully answered the whistle's tweet.

Carolyn Nip: Lucky us to have drummers three,
Peanut's a member of Quan, Nip, and Yee.

Lydia Quan: A real doll . . . not high she stands . . .
We leave next year's team in capable hands.

Geraldine Yee: Her top notch drumming kept us on the beam,
Many thanks, Gerry, from the whole team.

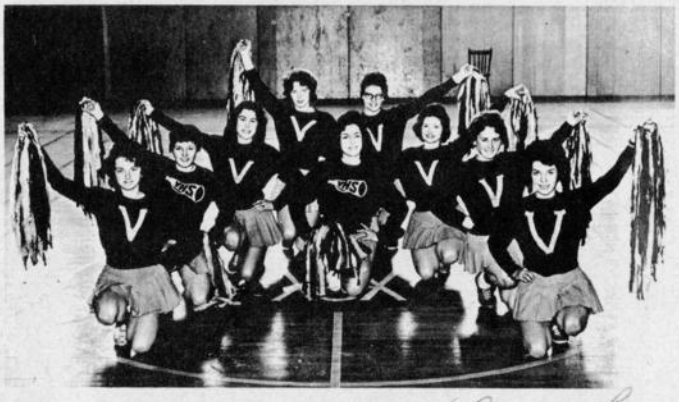
Cheerleaders



The girls in "black 'n' gold" gave a welcome and glamorous addition to Vic. High's sports events in the past year.

Under the sponsorship of Mrs. Mason, the cheerleaders attained a casual but snappy appearance through repeated early morning practices and added enthusiasm and spark to the games.

Ellen Fraser: A pretty cheerleader, so petite
Her jumps are great, her cheers are neat.

Nina Holden: Snappy Nina has the smile
That makes cheerleading worth-our-while.

Carolyn Maysmith: This pretty lass gives the cheer
That Vic High students like to hear.

Peggy McShane: A casual blonde, and real live-wire,
Who leaves very little to desire.

Mary Paxton: She really flips for the gold and black
So next year we want Mary back.

Margaret Puritch: This gal's so good without a doubt
With peppy jump and emphatic shout.

Sharon Roberts: Sweet and lively, on the ball
Sharon's one that has it all.

Jan Sarginson: A friendly miss with lots of bounce
She's got the skill, that really counts.

Rosemary Tierney: A lovely captain in gold and black
In cheerleaders Ronnie's got that "knack".

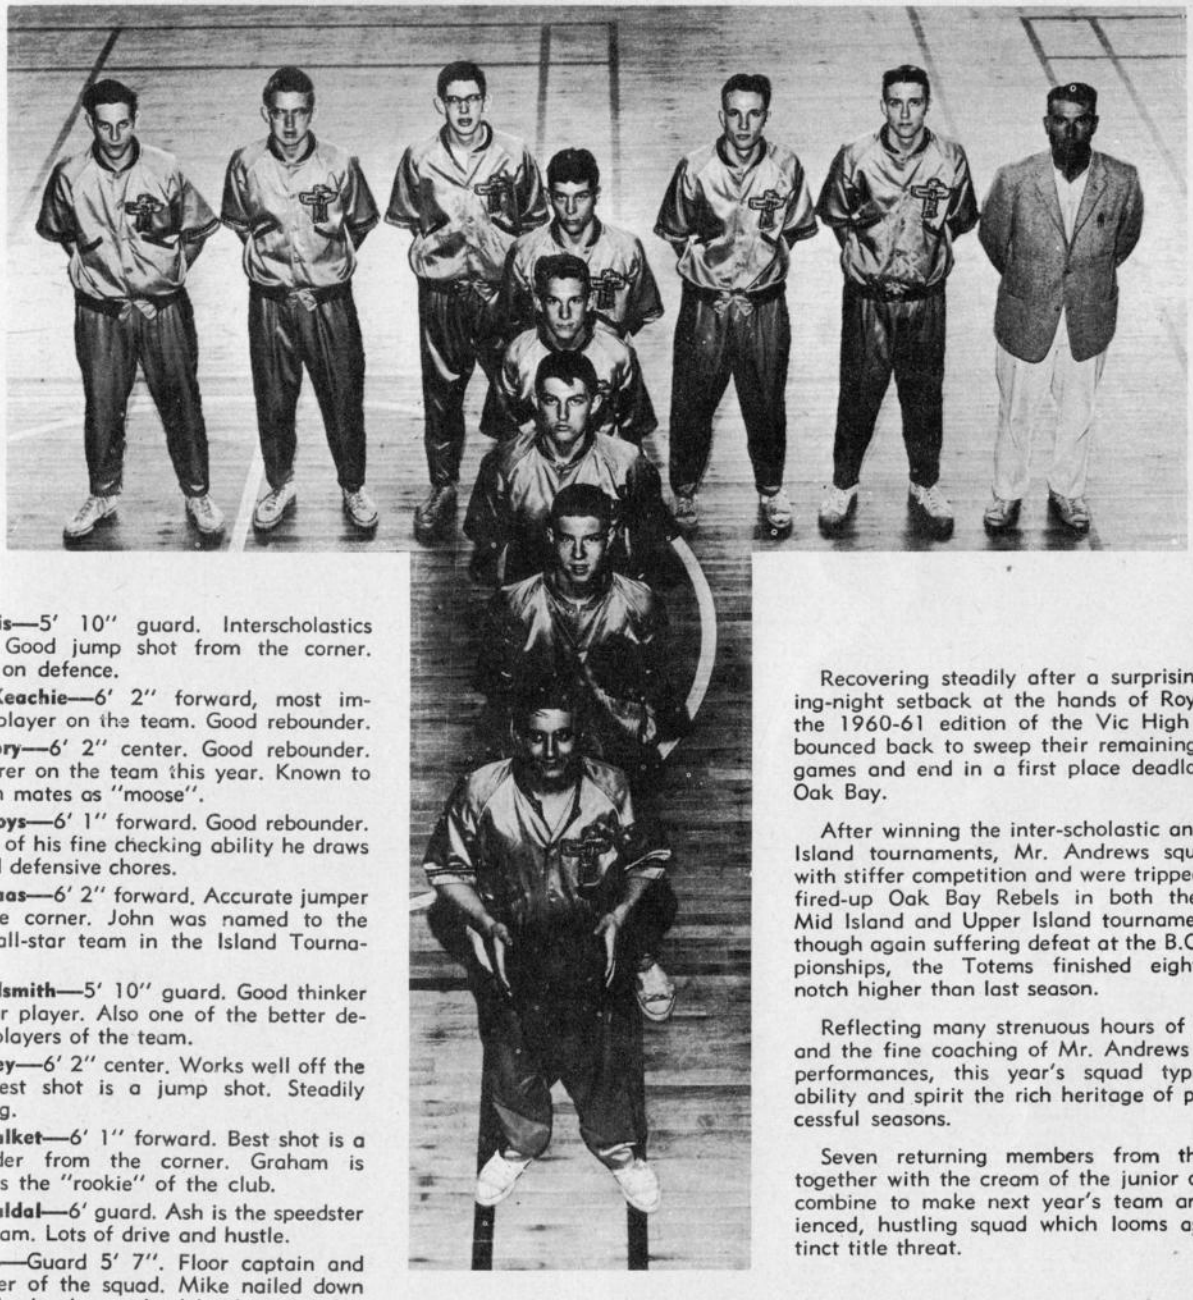
TOTEMS



Bob Harris—5' 10" guard. Interscholastics M.V.P. Good jump shot from the corner. Hustler on defence.

John McKeachie—6' 2" forward, most improved player on the team. Good rebounder.

Ken Gregory—6' 2" center. Good rebounder. Top scorer on the team this year. Known to his team mates as "moose".

Neil Worboys—6' 1" forward. Good rebounder. Because of his fine checking ability he draws the hard defensive chores.

John Lauvaas—6' 2" forward. Accurate jumper from the corner. John was named to the second all-star team in the Island Tournament.

Oliver Goldsmith—5' 10" guard. Good thinker and floor player. Also one of the better defensive players of the team.

Dave Gawley—6' 2" center. Works well off the pivot. Best shot is a jump shot. Steadily improving.

Graham Halket—6' 1" forward. Best shot is a one-hander from the corner. Graham is known as the "rookie" of the club.

Asbjorn Waldal—6' guard. Ash is the speedster of the team. Lots of drive and hustle.

Mike Gallo—Guard 5' 7". Floor captain and playmaker of the squad. Mike nailed down one of the berths on the Island second All-star Team.

Recovering steadily after a surprising opening-night setback at the hands of Royal Oak, the 1960-61 edition of the Vic High Totems bounced back to sweep their remaining league games and end in a first place deadlock with Oak Bay.

After winning the inter-scholastic and Lower Island tournaments, Mr. Andrews squad met with stiffer competition and were tripped by the fired-up Oak Bay Rebels in both the Lower Mid Island and Upper Island tournaments. Although again suffering defeat at the B.C. championships, the Totems finished eighth, one notch higher than last season.

Reflecting many strenuous hours of practice and the fine coaching of Mr. Andrews in their performances, this year's squad typified in ability and spirit the rich heritage of past successful seasons.

Seven returning members from this year together with the cream of the junior crop will combine to make next year's team an experienced, hustling squad which looms as a distinct title threat.

Table Tennis

Sponsored by Mr. Francis, the table tennis club, with over 120 members, offered a variety of tournaments including a doubles ladder tournament.

By defeating Mount Douglas High School, the Rep. team composed of Norm Leong, Rick Pye, Gary Restell, and Mike Shanks, became British Columbia High School champions. They won 26 games out of a possible 32.

Within the school, Rick Pye won the boys' singles again and Lorraine Lowe won the girls' singles. The boys' and girls' doubles were won by Rick Pye and Norm Leong and Lorraine Lowe and Gillian Thomas respectively.

This year's club executive consisted of President Mike Shanks, vice-president Gillian Thomas, and secretary Wendy Maxwell.

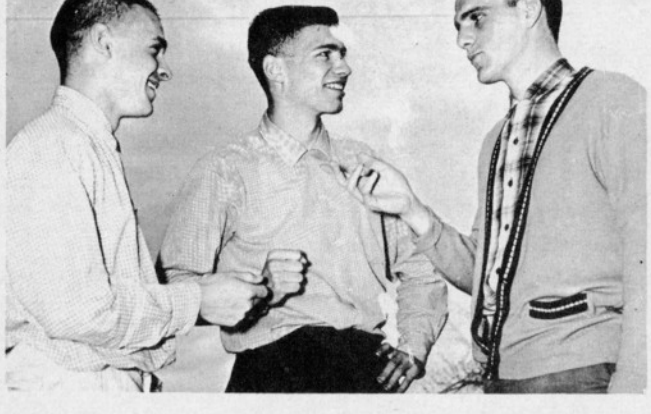
Cross Country

This year's cross country squad had a most successful season, under the able coaching of Mr. Gordon Hartley. Consistent training, three times weekly, regardless of weather conditions, brought laurels to the school.

Led by Captain John Valiant and Vice-Captain Alf Lincoln, the runners won twelve out of the thirteen races entered, capturing the Vancouver Island, British Columbia, and Pacific Northwest Cross Country titles.

Noteworthy incidents this season included Alan Valiant's being hit by a car during the Pacific Northwest Championships, only to pick himself up and carry on to place fourth. This spirit of dogged determination was typical of this year's team and was best exemplified by Bob Trotter in his consistent "stick-to-it-ness". John Valiant placed first in fourteen out of the fifteen races in which he competed, chalking up a raft of new records, the most spectacular being when he unofficially broke the Canadian Open record for six miles, during the Legion race.

Top runners this year are: John Valiant, Alf Lincoln, Gary Kidson, Alan Valiant.



Managers' Club

Returning this year after a lengthy absence, the Managers' Club ably handled red tape for Totems, Senior Soccer, Teepees and noon-hour intra-mural sports.

Started in the fall of 1947 by Mr. Laurie Wallace, now Deputy Provincial Secretary, the club enjoyed a lot of initial popularity, although it finally died out through lack of interest. Mr. Foxgord revived the group this year and enlisted three energetic types, Kevan Hull (Totems), Ivan Waldal (Senior Soccer) and Gary Zilkie (Teepees and noon-hour sports) to see if there was sufficient interest to warrant further expansion. As the three managers found their duties interesting and enjoyable it has been decided to increase the activities of the club, provided there is sufficient support next year, as all present managers are, they hope, graduating.

Mr. Foxgord wishes to emphasize that it is not necessary to be of athletic physique to attain one of these positions. All that is required is large quantities of enthusiasm, school spirit and energy. Those managers who work hard and competently will be eligible for managerial "Big V's" points being awarded on the basis of twenty-five per year, fifty being required for a "Big V". Managers will be responsible for all school sports equipment, and although this year's group was all male, the Managers' Club next year will provide plenty of work for interested girls.

Curling Club

Under the capable sponsorship of Mr. Hardie, the 1960-61 curling season was more successful than any previous year. Offices were held by Jack Truman, president; and Ardith Glassford, secretary-treasurer.

League competition was held Mondays, Tuesdays and Wednesdays, Vic. High monopolizing twenty of the thirty-eight rinks entered. During November the Curling Rink sponsored a "shorty bonspiel", won by a Vic High rink skippered by Bob McPherson.

Finishing up in March, the various leagues were won by Bob Gallagher of Lansdowne Jr. High, John Mace of Oak Bay High School and Vic. High's Roger Pick.

A V.H.S. rink including Roger Pick, Bob McPherson, Jack Truman and Glenn Ashby returned from Vancouver after the Christmas vacation with the main event victory of the P.C.H.S. Bonspiel "tucked under their belts".

For the fourth straight year, Vic High wound up the curling season by retaining the CJVI curling trophy.

Senior Soccer

This year's Senior Soccer Squad completed an extremely fine season under the capable coaching of Mr. Price. Although they were defeated by a strong Mt. View squad in a sudden-death game for the Colonist Cup, they defeated every other high school (including Oake Baye 3-1).

Since only three players graduate this year, next season's edition of the team is expected to be one of the powers of the league and has hopes of bringing the Colonist Cup back to Vic High and becoming B.C. champions.

Junior Girls' Rep Basketball

All the Best
Barb! Fern

Senior Girls' Rep Basketball

Never before has the senior girls' basketball team been so successful. Hard work coupled with plenty of ability, plus the capable coaching of Mrs. Mason enabled the girls to become unbeaten champions of the city and Vancouver Island league. Despite unlucky setbacks (four sprained ankles and assorted other injuries) the team gamely fought their way into the finals becoming runners-up in the B.C. championship.

Sue Mason—forward; good-natured captain; excels in foul shots.

Fern Jaeger—Forward with a smile, Fern's best shot is the lay-up.

Barb Welsh—Enthusiastic guard with a good long shot.

Margaret Puritch—Another "old-timer", Marg plays guard and uses a one-handed push shot.

Mary Pearson—Centre and faithful rebounder, Mary has an accurate one-handed set shot.

Jean Scott—Only Grade 10 on the team, "Jeannie" is a guard with a lay-up shot.

Carol Streeton—A wary guard with a good long set shot.

Sandra Lutack—Sandy is a thorough forward and prefers a lay-up shot.

Arlene Perry—Another forward, energetic Arlene also uses a lay-up.

Rep Grass Hockey

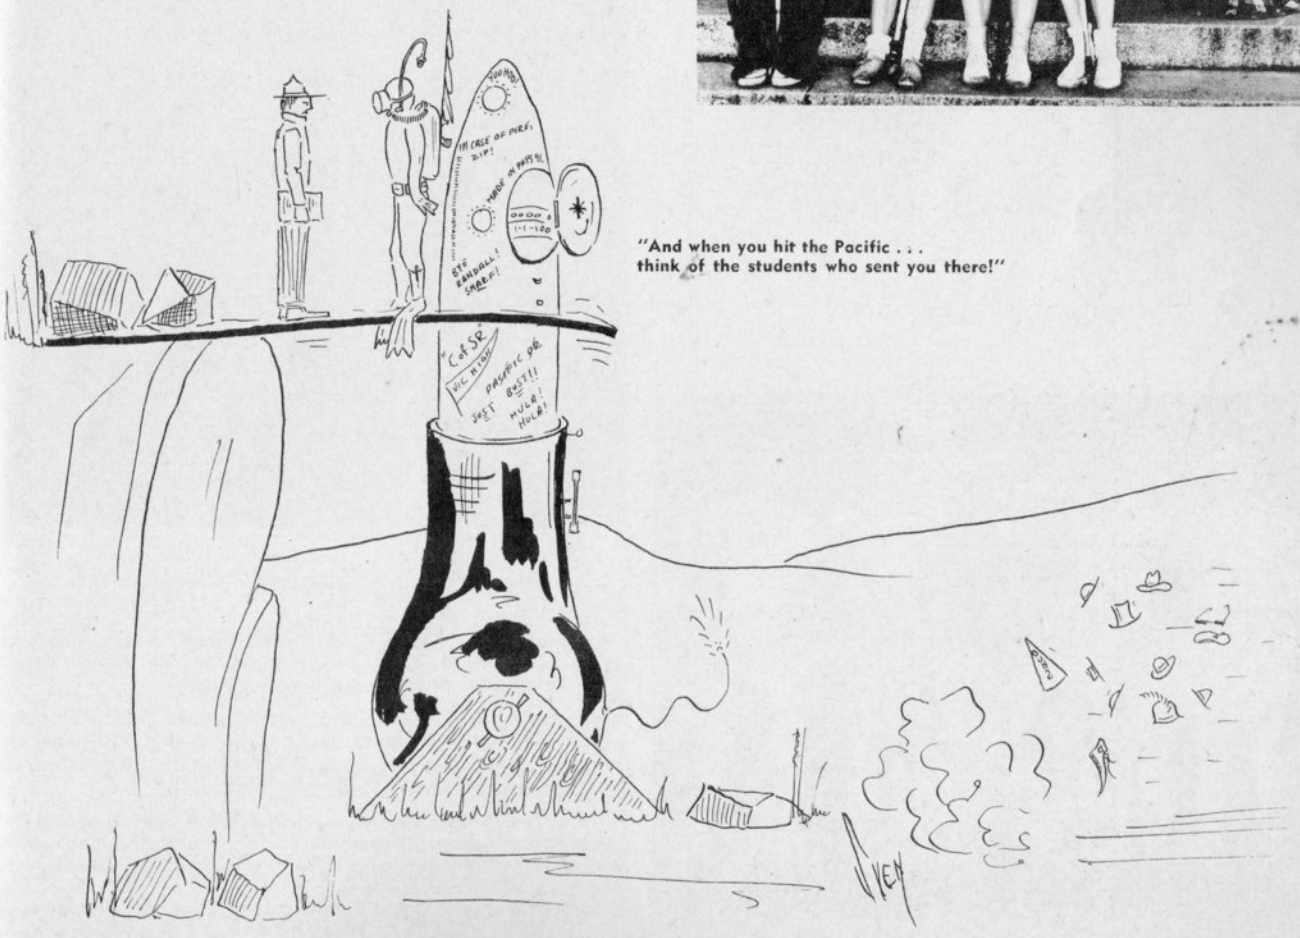
Under the excellent leadership of the team's officials — coach, Mrs. Mason; manager, Marilyn Young; captain, Maureen Tilson; and vice-captain Valerie Caldwell, the Golds have played excellent hockey this year.

In the Inter-High Hockey League, the team lost three games (each by a margin of only one goal), and tied one with Mount View.

Three extra invitational games with private schools were found most educational for the girls. Of all the Victoria teams, the Golds were the only ones to score against St. Margaret's.

In the Bridgeman Cup series, the Golds made an excellent showing—winning three and losing two of their five games.

Not to be outdone by the senior team, the Blacks under the leadership of coach, Mrs. Esselmont, and manager Madeline Coupe, were the winners of the Junior Inter-High Hockey League. Two of their players—left full-back, Margaret Kavanah, and left wing, Gillian Thomas, participated in the Bridgman Cup finals with: right wing, Patty Bridges; right inner, Maureen Tilson; center forward, Val Caldwell; left-inner, Pam Crutchlow; right half-back, Linda Robinson; center half-back, Margaret Morgan; left half-back, Murial Bertrand; left full-back, Carol Streeton; and goalie, Sherry Fahey.



"And when you hit the Pacific . . .
think of the students who sent you there!"

Junior Basketball - Teepees

This year's edition of the Teepees featured a potent com bination of strong rebounding, good playmaking and fine shoot ing. Although they lost one game to Vic High's nemesis, Roye Oak, the Teepees enjoyed a successful year which was climaxe by two decisive defeats of their counterparts from Oake Baye Both of these games were won by twenty-point margins. A lo of credit goes to coach Mr. Dave Price who had to work with a inexperienced team.

Team members were:

Richard Ogmundson—5'9" guard, High scorer and team cap tain, he has a 16-point average.

Leigh Large—A high-scoring 5' 9" guard. An outstanding play er noted for his hustle and all-round effectiveness.

Ken Henderson—5' 10" guard. Ken was a good dribbler an dependable playmaker.

Garry Ross—5' 11" guard and forward—A calm, steady playe his strong rebounding and playmaking made him a key man

Barney Spaven—6' 1" forward. His rebounding and scorin made him a valuable asset.

Pat Whalen—5' 11" forward. A good all-round player wh came up with some important points against Oake Baye.

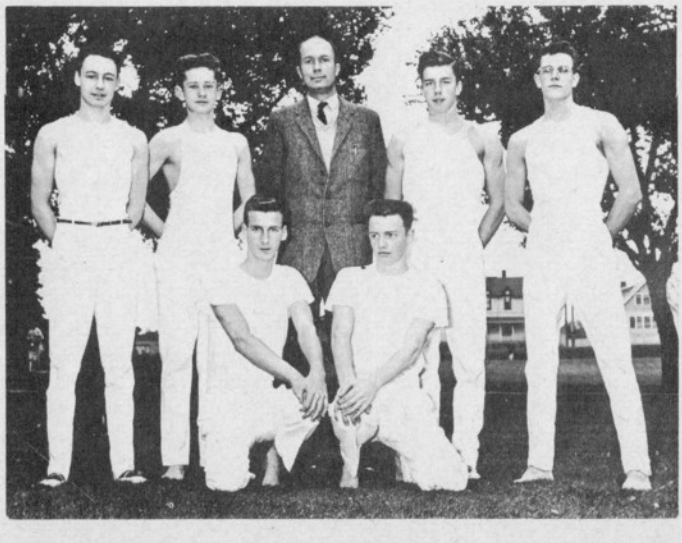
Paul Hoshal—6' forward. A fine rebounder who came o strongly at the end of the year.

John Dawson — 5' 10" forward. Everyone's favourite, thi speedster is noted for his hustle and strong defensive play

Terry Shumka—6' 3" centre. A strong rebounder who mad himself valuable to the team.

Ian Coates—6' 2" centre. A fine playmaker and efective pivot man, Ian is also noted for his rebounding.

Junior Boys' Rep Soccer



Gymnastics Club

Formerly the Tumbling Club, this group was re-organize as the Gymnastics Club, returning under the sponsorship Mr. Tucker who was sponsor two years ago.

Captain, Pat Scott, and Vice-Captain Bob Vosbourgh along with other members John Geisinger, Ken Grant, Bo Young, Bob Gay and Bob Sharp did two Totem intermissions an a display of gymnastics at Central Jr. High.

This team also competed in B.C. High School Invitation Gymnastics Meet at Vancouver resulting in three thirds, namel Pat Scott on the trampoline; Bob Young on the rings, side hors and in Jr. Boys all-round.

Bowling Club

Capturing the city championship or a third straight year, the V.H.S. bowling club has also retained its immense school popularity, finishing off the year over 150 strong.

Club executives Warren Lowe, president; Moe Hamlin, Jill Jewsbury, and Carol Steffens, secretaries; and Mr. D. Evans, sponsor, have kept Gibson's automatic pin setters humming with a ten-game tournament, House tournament, and Championship Roll-off.

The Vic High All-star bowling teams that retained the city championship but suffered an upset by Oak Bay and Nanaimo defending the Western Canada titles consisted of:

GIRLS	and	**BOYS**
Lyn Tupper		Bill Atkinson
Maureen Hamlin		Doug Wylie
Lorraine Lewis		Warren Lowe
Rhoda Lee		Doug Beulah
Irene Barrick		Dave Chewpoy
Mary Bendall		Eric Hodges

Hold-over members look forward to a "rush" of new bowlers and the possible formation of a 10-pin league next year, and all members rolling over 300, will be awarded a "300" button.
